Narrative description of the Prop 28 art education program(s) funded.

AACA utilized a classified Drama Instructor to implement a K-8 Drama Program inclusive of daily drama instruction (aligned to California Arts Standards for Theatre) and grade band theatre productions. Daily instruction focused on the 4 key elements of theatre; creating, performing, responding, and connection outlined in the standards. To provide a robust experience for all students, AACA leveraged community relationships with local theatres (Templeton Performing Arts Center and Paso Robles Youth Arts Center) to hold the productions. This provided access to professional theatre facilities and created authentic theatre experiences as a means to assess student understanding of standards.

In the 24.25 school year this program will continue and will expand to include grade level production experiences.
